Please read the *Rare Tumors* Manuscript Submission Guidelines carefully prior to submitting your declarations statement, these guidelines contain further information in relation to all relevant declarations, in addition to detailed information regarding *Rare Tumors* publishing policies.

Any manuscripts submitted without all necessary declarations will be returned to the corresponding author for completion.

1. Case Report or Case Series

Required Declarations

1. Conflicting interests
2. Funding
3. Ethical approval
4. Informed consent
5. Contributorship
6. Acknowledgements

**Please note: Written informed consent is required to publish case reports or case series in Rare Tumors. Please also refer to the [ICMJE Recommendations for the Protection of Research Participants](#)*

Example of a completed declarations section:

1. **Conflicting interests:** MS is an employee of XXX. BF has received grants from XXX.
2. **Funding:** This work was supported by the Medical Research Council [grant number XXX].
3. **Informed consent:** Written informed consent was obtained from the patient(s) for their anonymised information to be published in this article
OR
Written informed consent was obtained from a legally authorized representative(s) for anonymised patient information to be published in this article.
*If written informed consent has not yet been obtained, please do so prior to submitting your article to *Rare Tumors*. Any case reports submitted for consideration without a declaration of written informed consent will be returned to the author(s).*
4. **Ethical approval:**
Ethical approval to report this case/these cases was obtained from *NAME OF ETHICS COMMITTEE OR INSTITUTIONAL REVIEW BOARD (APPROVAL NUMBER/ID)*.
OR
INSTITUTION NAME does not require ethical approval for reporting individual cases or case series.
5. **Contributorship:** BF wrote the first draft of the manuscript. All authors reviewed and edited the manuscript and approved the final version of the manuscript
6. **Acknowledgements:** We would like to thank XXX XXXX for their assistance and guidance in this research.

Example of text that should be used if any declaration is not relevant to your article:

Conflicting interests: The Author(s) declare(s) that there is no conflict of interest

Funding: This research received no specific grant from any funding agency in the public, commercial, or not-for-profit sectors.

Informed consent: *Written patient informed consent is required to publish case reports or case series in *Rare Tumors*. Please also refer to the [ICMJE Recommendations for the Protection of Research Participants](#)*

Ethical approval: *Where ethical approval is waived or not required for your article please include full details of the rationale/justification for this.*

Contributorship: Not Applicable [*please note that the only time this declaration is not applicable is if only a single author is named on the article.*]

Acknowledgements: None

2. Human Research and In Vitro Studies

Required Declarations

1. Conflicting interests
2. Funding
3. Informed consent
4. Ethical approval
5. Trial Registration (*where applicable*)
6. Contributorship
7. Acknowledgements

Example of a completed declarations section:

1. **Conflicting interests:** MS is an employee of XXX. BF has received grants from XXX.
2. **Funding:** This work was supported by the Medical Research Council [grant number XXX].
