

Sage Nursing eBook Collections

Understanding Nursing Associate Practice series ebook collection

The First Textbook Series designed specifically for Trainee Nursing Associates, now available in a flexible, accessible digital format with full institution-wide access.

The *Understanding Nursing Associate Practice series (UNAP)* is a collection of textbooks uniquely designed to support trainee nursing associates throughout their training and academic studies, and into a professional career. Written in line with the NMC Standards of proficiency for nursing associates, each book focuses on a key topic or skillset essential for success in both academic and clinical settings.

Your Complete Digital Resource

Learners gain **instant access** to the full eBook collection on their **smartphones, tablets, or computers** – anytime, anywhere. The UNAP eBook Collection is a comprehensive learning resource that enhances course engagement and supports academic success - preparing confident, capable Nursing Associates for today's healthcare settings.

This flexible access ensures learners always feel **supported and prepared**, whether studying on campus, during placements, or at home.

Digital access to the full collection offers a **user-friendly reading experience**, allowing learners to **search, highlight, and annotate** content, making it easier to engage with materials and revisit key concepts.

Lecturers can **assign and embed recommended readings** directly into course modules, allowing students to access them seamlessly when logged into their learning platform. This ensures timely access to relevant content that supports course delivery and learning outcomes.

The collection is fully compatible with and can be **integrated into all major Virtual Learning Environments (VLEs)**, including **Moodle, Blackboard, Canvas, and Brightspace**, enabling smooth access within existing course structures.

Integrated, unlimited access

An **annual subscription** is available, providing unlimited concurrent user access across your institution.

Access can be provided through all leading digital content delivery platforms, such as **VitalSource, EBSCO, Browns VLeBooks, BibliU, Kortext and Snapplify**, offering flexible integration with your institution's existing infrastructure.

Contact alexandra.taylor@sagepub.co.uk to request title list, pricing, and access options.

Bundle & Save

Institutions **subscribing to both UNAP and Transforming Nursing Practice collections** receive a **further discount**, supporting nursing education across roles.
