Section One. Diving Into Deep Learning 1

Chapter 01

GOOD AT LEARNING AND GOOD AT LIFE 3

The Urgency	4
What Is Deep Learning?	5
Why Deep Learning Works	8
Systems Change and the Way Forward	9
Getting Started	10

Chapter 02

HOW TO USE THIS GUIDE 13

Getting Started	13
Organization of the Guide	14
Building Capacity for Deep Learning	16

Section Two. A Framework for Deep Learning 19

Chapter 03

THE DEEP LEARNING FRAMEWORK 21

The Deep Learning Framework	21
Final Thoughts	24

Chapter 04

THE GLOBAL COMPETENCIES FOR DEEP LEARNING	27
Defining the Competencies	27
Unique Characteristics of the Global Competencies (6Cs)	28
Global Competencies in Action	30
Emerging Insights	30
Getting Started	31
Final Thoughts	32
Protocols	
01. Reimagining Learning	34
02. What's Deep About Deep Learning?	36
03. Global Competencies for Deep Learning	38
04. Snapshots of Practice	40
05. Going Deeper With Deep Learning	42
06. Teacher Voices About Deep Learning	44
Vignettes	
Bee the Change	48
Ask Yourself: So What?	49
Learning to Juggle Life's Demands	50
No Planet B	51
Daily Deep Learning: Fitness for the Mind	52
Learning Outside the Box	53
The Sky Is Not the Limit	54
Student-Friendly Language: Meet Them Where They're At	55

Chapter 05

THE FOUR ELEMENTS OF LEARNING DESIGN	57
Learning Partnerships	58
Learning Environments	58
Leveraging Digital	60
Pedagogical Practices	61
Final Thoughts	62
Protocols	
07. The Four Elements of Learning Design	64
08. The Four Elements in Practice	68

Chapter 06

THE COLLABORATIVE INQUIRY PROCESS 73

What Is Collaborative Inquiry?	73
Collaborative Inquiry in Learning Design	74
Collaborative Assessment	76
Collaborative Assessment of School and District Conditions	77
Final Thoughts	77

Protocols

09. Examining the Phases of the Collaborative Inquiry Cycle	78
10. Making Meaning From Collaborative Inquiry	80
11. Reflective Practice: An Inquiry Cycle Case Study	82

Section Three. Learning Progressions 87

Chapter 07

USING LEARNING PROGRESSIONS 89

Organization	89
Designing Learning	89
Assessing Learning	91
Feedback	92
Final Thoughts	93

Protocols

12. Learning Progressions	96
13. Analyzing Student Work Using Learning Progressions	98
14. Rating Students Using a Learning Progression	102
15. Providing Feedback to Students	106
16. Student-Friendly Learning Progressions	108
17. Engaging Students With the Student-Friendly Learning Progressions	110
18. The Student Self-Assessment Tool	112

Tools: Deep Learning Progressions

Character Deep Learning Progression	114
Citizenship Deep Learning Progression	116
Collaboration Deep Learning Progression	118
Communication Deep Learning Progression	120
Creativity Deep Learning Progression	122
Critical Thinking Deep Learning Progression	124

Tools: Student-Friendly Learning Progressions

Character Student-Friendly Deep Learning Progression	126
Citizenship Student-Friendly Deep Learning Progression	128
Collaboration Student-Friendly Deep Learning Progression	130
Communication Student-Friendly Deep Learning Progression	132
Creativity Student-Friendly Deep Learning Progression	134
Critical Thinking Student-Friendly Deep Learning Progression	136

Tools: Student Self-Assessment

Student Self-Assessment Tool	138
Student Self-Assessment Exemplar	139

Section Four. Designing Deep Learning 141**Chapter 08****DEEP LEARNING DESIGN 143**

Learning Design: The Key Components	143
Backward Design	144
The Learning Design Rubric	146
Final Thoughts	150

Protocols

19. Investigating Deep Learning Vignettes	154
20. The Learning Design Planning Template	156
21. Backward Mapping Using the Learning Design Planning Template	158
22. Fostering the Global Competencies Through Learning Design	160
23. Comparing Learning Designs	162
24. Using the Learning Design Planning Template	164
25. The Learning Design Rubric	165
26. Applying the Learning Design Rubric	166
27. Deepening the Analysis of the Learning Design Rubric	168
28. Enhancing the Learning Design	170

Tools

Learning Design Planning Template	172
Learning Design Planning Template: Working Copy	173
Learning Design Rubric	174

Deep Learning Design Examples	
Learning About Landmarks, Grade 2	176
Exploring World Peace, Grade 4	178
Exploring Poverty: A Sustainable Approach, Grade 6	180
Speed Dating: Critical Thinking and Writing, Grade 10 English	182
Vulnerable Populations and Economic Activity, Grade 12 Economics	184

Section Five. Assessment Practices 187

Chapter 09

COLLABORATIVE ASSESSMENT	189
The Collaborative Assessment Process	189
Establishing Norms	190
Managing the Process	191
Final Thoughts	192
Protocols	
29. Norms for Collaborative Assessment	194
30. Assessing a Deep Learning Task	196

Section Six. Building Capacity for Deep Learning 199

Chapter 10

TEACHER CAPACITY FOR DEEP LEARNING	201
Reflective Practice	203
Coaching for Success	203
Final Thoughts	204
Protocols	
31. The Teacher Self-Assessment Tool	206
32. The Teacher Self-Assessment Tool in Action	208
33. Using the Learning Design Coaching Tool	210
Tools	
Teacher Self-Assessment Tool	211
Teacher Action Plan Organizer	212
Learning Design Coaching Tool	214

Chapter 11

SCHOOL CAPACITY FOR DEEP LEARNING	217
The School Conditions Rubric	218
Getting Started With Deep Learning	221
Planning for Deep Learning	221
Final Thoughts	223
Protocols	
34. Understanding the School Conditions Rubric	226
35. Assessing School Conditions: A Simulation	230
36. Assessing Your School Conditions	231
37. Developing a School Deep Learning Plan	232
Tool	
School Conditions Rubric	234

Chapter 12

DISTRICT CAPACITY FOR DEEP LEARNING	237
The District Conditions Rubric	238
Developing a District Deep Learning Plan	239
Leveraging the Power of School Visits	240
Final Thoughts	240
Protocols	
38. Examining District Conditions for Deep Learning	244
39. The District Conditions Rubric	246
40. Assessing District Conditions for Deep Learning	247
41. Mobilizing Districtwide Change	248
42. Collating Information to Support the District in Deep Learning	254
43. Strategizing a District Deep Learning Plan	256
44. Leveraging the Power of School Visits	258
Tool	
District Conditions Rubric	260
