

LOOKING AT:

Fostering Dialogue (1 of 2)

Complete this form after you have recorded a conversation in which you tried to engage in dialogue. You can complete it while watching or after watching the conversation.

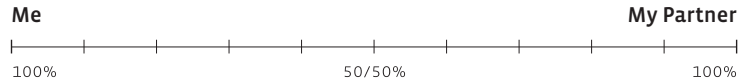

Put a mark on the line to indicate who did most of the thinking in this conversation:

Is there anything you can do to ensure both partners contribute equally to the conversation next time?

.....
.....
.....

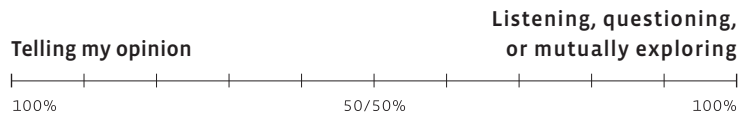

Put a mark on the line to indicate what percentage of the time you were talking in this conversation:

Is there anything you should do next time to enable your partner to speak more?

.....
.....
.....

Put a mark on the line that indicates how much of the time you were telling your opinion in the conversation:

Is there anything you should do next time to change the way you ask questions?

.....
.....
